MODULE 1 : Introduction to Digital Marketing

Task: Choose any business or brand. Analyze the 7 Ps of Marketing (Marketing Mix) and prepare a SWOT Analysis.

Brand Name : Freshora

Tagline: Freshness in Every Sip

Industry: Beverage Industry

Business Type: Healthy Fruit Juice Brand

Introduction

Freshora is a fictional beverage brand that offers fresh fruit juices made from natural ingredients without artificial colors or preservatives. The brand focuses on providing healthy, refreshing drinks to customers of all age groups. Freshora aims to promote a healthy lifestyle while delivering premium quality beverages at affordable prices.

---

7 Ps of Marketing

1. Product

Freshora offers a variety of healthy fruit juices prepared using fresh fruits. The products contain no artificial preservatives and are available in multiple flavors such as Mango, Orange, Mixed Fruit, Apple, Watermelon, and Lemon Mint.

Features

- 100% Natural Ingredients
- No Artificial Colors
- No Added Preservatives
- Rich in Vitamins
- Eco-Friendly Packaging

---

2. Price

Freshora follows a value-based pricing strategy to make healthy beverages affordable.

Pricing

- 250 ml – ₹30
- 500 ml – ₹55
- 1 Litre – ₹95

Special offers include combo packs, festival discounts, and subscription plans for regular customers.

---

3. Place

Freshora products are available through both offline and online channels.

Offline

- Supermarkets
- Kirana Stores
- Cafes
- Restaurants

Online

- Official Website
- Blinkit
- Zepto
- Swiggy Instamart
- BigBasket

---

4. Promotion

Freshora promotes its products using digital and traditional marketing techniques.

Promotional Activities

- Instagram Reels
- Facebook Campaigns
- Influencer Marketing
- Google Ads
- Email Marketing
- WhatsApp Marketing
- Referral Programs

---

5. People

Freshora believes customer satisfaction depends on skilled employees.

People Involved

- Customer Support Team
- Sales Executives
- Digital Marketing Team
- Delivery Partners
- Quality Control Team

Employees receive regular training to improve customer experience.

---

6. Process

Freshora follows a systematic process to ensure product quality.

Process Flow

Fruit Procurement → Quality Inspection → Juice Preparation → Packaging → Distribution → Customer Delivery → Feedback Collection

This process helps maintain freshness and consistency.

---

7. Physical Evidence

Freshora creates a premium brand image through:

- Modern Bottle Design
- Eco-Friendly Packaging
- Professional Website
- Social Media Presence
- Customer Reviews
- Attractive Product Labels

These elements build trust among customers.

SWOT Analysis

Strengths

- Natural and Healthy Products
- Affordable Pricing
- Attractive Packaging
- Strong Social Media Presence
- Multiple Sales Channels
- Eco-Friendly Brand Image

Weaknesses

- New Brand in Market
- Limited Brand Awareness
- Seasonal Dependency on Fruits
- High Transportation Costs

Opportunities

- Growing Health-Conscious Consumers
- Expansion into International Markets
- Collaboration with Fitness Influencers
- Online Grocery Growth
- Corporate Bulk Orders

Threats

- Strong Competition from Established Brands
- Rising Raw Material Costs
- Changing Consumer Preferences
- Government Food Safety Regulations
